GRATA International Law Firm will be a gold sponsor of the competition: "The Chamber of Arbitrators - 2021"

On December 16-17, 2021, the Belarusian Republican Union of Lawyers will hold an international student competition in international trade law and international commercial arbitration "Chamber of Arbitrators - 2021".

The competition is co-organized by the UN Commission on International Trade Law UNCITRAL.

The purpose of the competition is to popularize international commercial arbitration as an alternative way to resolve commercial disputes, improve the level of training of law students and stimulate their interest in studying private international law and international commercial arbitration.

The competition will promote the development of friendly relations between representatives of various law schools and the exchange of professional experience between leading practicing lawyers and theorists of international commercial law.

The language of the event is Russian.

The competition is attended by representatives of the jurisdictions of GRATA International in Belarus, Kazakhstan, Kyrgyzstan, Russia.
