

## CLIENT NOTE

### Main changes in the customs law of Kazakhstan

- **Procedure of introduction of amendments and (or) additions to the declaration on goods**

The Decision No. 46 dated 11 May 2017 of the College of the Eurasian economic union introduced changes to the 'Procedure of introduction of amendments and (or) additions to the declaration on goods'.

In case the declarant initiates introduction of changes upon the customs clearance and such changes contain data required for refund (offset) of the excess amount of paid and (or) charged customs and other payments, it will be treated as an application for refund (offset) if pursuant to the law of the EEU member-states the refund (offset) is performed on the basis of the payer's application.

The period for consideration of application by the customs authorities shall not exceed 30 calendar days from the date of application registration.

The Decision comes into force on 11 June 2017.

- **Instruction on procedure of filling of the declaration on goods**

The College of the Eurasian economic union on the basis of its Decision No. 35 dated 24 April 2017 introduced changes to the 'Instruction on procedure of filling of the declaration on goods'.

The goods containing intellectual property objects, included to the customs list of intellectual property objects, are declared separately from the goods not containing intellectual property objects. Herewith, it is required to add the registration number of the intellectual property object pursuant to this list.

The Decision comes into force on 26 May 2017.

- **Decision on classification of goods under the FEACN Codes<sup>1</sup> adopted by the Eurasian economic commission**

The College of the Eurasian economic union adopted the decisions No. 48, 49, 50, 51, 52 dated 11 May 2017, No.56 dated 23 May 2017 on classification of certain goods:
