

GRATITUDE

We are hereby expressing our gratitude to Grata International Mongolia LLP for the generous support to the Students' Research Conference on International Business Transactions: Governing Law, and Dispute Settlement Issues dedicated to the 80th Anniversary of the National University Mongolia, which is organized annually by the Law School.

Your contribution promotes and motivates students' research and allows them to challenge their knowledge in legal studies. It is a pleasure to remark that through your generosity through the years, a number of students have been awarded with material support and attended internship at your firm.

We are grateful for all you have done, and hope in continuing of your mission.
