GRATA International held internal conference: “Regional development – from idea to its realization!”

GRATA International held internal conference: “Regional development – from idea to its realization!”

2-3 April 2016 GRATA International held annual its conference. Among the participants were directors and representatives of all GRATA International offices in Kazakhstan.

At this event main annual achievements of the firm were acknowledged – the addition of new associated offices in the following countries: Belarus, Turkey, Latvia, Czech Republic, Switzerland, and Ukraine, and the establishment of offices and representatives across the entire Kazakhstan.

Moreover the firm’s development strategy for 2016 was reviewed and the plans were set for constant improvement in the quality of services provided and client service. Special attention was paid to the development of service “Dispute Resolution”, which one of the strongest advantages of all GRATA International representatives in Kazakhstan.

According to the previous year’s results following lawyers have been promoted to Partners: Yerbolat Yerkebulanov, Maksim Burak, Zaira Kaysar.

Based on the results of work the following people have joined the firm as lawyers and were awarded certificates.

GRATA International sincerely congratulates nominees with deserved promotion and wishes them success in their careers and personal development!
