Ibragim Kouky, the Senior Associate at Contract and Real Estate Department participated in the joint FIDIC/ICC Conference

Ibragim Kouky, the Senior Associate at Contract and Real Estate Department participated in the joint FIDIC/ICC Conference

The conference took place on 20–21 September 2018 in Tbilisi (Georgia) on International Construction Contracts and Dispute Resolution.

Participants of the conference were representatives of government bodies (including the Minister of Justice of Georgia, the Justice of the Supreme Court of Georgia), international construction and engineering companies as well as international law and consulting firms from more than thirty countries.

Due to publication of the second edition of the new standard forms of FIDIC contracts Ibragim's participation in the conference allowed discussing the most recent changes made to the standard forms of FIDIC contracts as well as sharing experience with other participants of the international conference.
