Baspinar & Partners is dedicated to helping clients manage risk, maximize opportunities and move their business forward. Our attorneys are nimble, creative and pragmatic, working tenaciously to protect and promote our clients' interests in and around the area. At Baspinar & Partners, you'll find a collective determination and an entrepreneurial spirit. We're business-oriented lawyers equally comfortable in the boardroom and the courtroom. We advise local and international companies on public/private enterprises and help emerging companies grow. From critical regulatory and compliance matters to deals, transactions, we're prepared to do what it takes to defend and protect our clients' interests. Within the firm, we encourage collaboration across practices and industry teams, ensuring the most integrated, solutions-oriented results for our clients. Efficiency and effectiveness are the highest priority for us, and we continue to look for ways to partner with clients in identifying new strategies, new approaches and different ways of working together to optimize results. Baspinar & Partners' culture fosters an open, inclusive and collegial atmosphere. We're a cohesive group of people from different backgrounds, working together on challenging deals and complex cases. We're proud of our commitment to excellence, the interesting matters we handle and the impressive clients we serve.

Our team of lawyers in Turkey comprises of three partners and eight lawyers. At least one of the partners will be in charge and supervision of any project, transaction, etc. our Firm is engaged to ensure the high quality of service that you would be expecting from GRATA.
