GRATA Beijing has participated in pro bono global research project of World Bank

GRATA Beijing has participated in pro bono global research project of World Bank. The *Doing Business Report* is a publication of the World Bank Group that benchmarks business regulation in 190 countries worldwide.

The report was launched with great success and extensive media coverage.

Partner of GRATA International [Gulnur Nurkeyeva](#) and associate [Aray Moldabayeva](#) were awarded certificates in appreciation of effort in the development of the Doing Business indicators.

Download the report from this website: <https://www.doingbusiness.org/en/contributors/doing-business>

Doing Business 2020 is the 17th in an annual series of reports measuring the regulations that enhance business activity and those that constrain it.

Please visit World Bank interactive website at <http://www.doingbusiness.org>, where GRATA's contribution to the project have been acknowledged. The website provides more detailed information on the methodology and background studies and permits customized queries and cross-country comparisons of the indicators.
