GRATA International and Finish delegation held a joint meeting in Uzbekistan

On September 19, 2019, a meeting of GRATA International representatives with the Club of young Finnish professionals in Russian business took place at the GRATA International office in Tashkent. This Club consists of representatives of almost all large Finnish companies represented on the Russian market, as well as representatives of the state administration, finance, and professional services.

During the meeting, representatives of GRATA International made a presentation and discussed essential and relevant issues that foreign investors encounter in their Uzbek projects, the most appropriate means of expanding operations in Uzbekistan, recent trends and the development of the legal system of Uzbekistan.

During the course of the meeting, representatives of the Finnish delegation noted improved investment climate that supports doing business by foreign investors in Uzbekistan.

GRATA International thanks all participants for their attention and looks forward to future cooperation!
