GRATA International and IQanat Education Fund

GRATA International and IQanat Education Fund

On June 20, 2018, GRATA International Law Firm signed a memorandum on cooperation in the area of education with [IQanat](#) Public Education Fund.

Within the mutual commitment to further strengthen and develop mutually beneficial cooperation, the parties agreed as follows:

- ▶ joint activities and projects. Bilateral support in arrangement thereof;
- ▶ experience and information share;
- ▶ assistance in creating conditions for learning and gaining experience through an internship.

Signing of the memorandum and further activities thereunder is a socially significant project for GRATA International in the development of the education of children in rural schools.
