GRATA International held a webinar: Doing business in Mongolia

On November 10, 2022, a webinar was held on the issues of starting a business in Mongolia.

Today Mongolia is one of the rapidly developing countries with a significant amount of mineral resources. Starting a business in Mongolia is among the best jurisdictions to open a company.

Leading GRATA experts in Mongolia spoke about the challenges entrepreneurs may face:

- ▶ [Legal forms of starting a business in Mongolia.](#)
- ▶ [Obligations of a non-resident taxpayer.](#)
- ▶ [Enforcement proceedings of decisions of foreign courts and arbitral awards.](#)

For more information, you can go to our [YouTube channel](#) and watch the recording from the webinar.

We thank all speakers and listeners for their participation!
