GRATA International Kazakhstan is an official Partner at the Eurasian Pharmaceutical Forum 2023

The 14th International Eurasian Pharmaceutical Forum 2023 will take place **from February 28 to March 1, 2023** in Almaty, Kazakhstan.

The event will be in-person + online format. The forum will provide an opportunity to meet with leading players of the pharmaceutical market - regulators of the market, international and local pharmaceutical manufacturers, distributors and pharmacy chains - to discuss the topical issues facing the industry today and to forecast its further development.

Shakhrukh Usmanov and Aliya Zhumekenova, Partners of GRATA International Kazakhstan, will take part at the Forum as speakers and delegates.

Aliya Zhumekenova will speak on the "Production development and localization opportunities: difficulties and preferences" with the topic: "**Localization in Kazakhstan: key legal issues and concerns during the Focus-session**".

The Forum is expected to have 300 + participants, as well as 100 + speakers, including representatives of international pharmaceutical manufacturers and distributors.

For more information, please go through the [Forum website](#).
