GRATA International is an official partner of the Franco-Kazakhstan Decarbonization Forum

On **June 7, 2023**, in Astana, at Nazarbayev University, the Franco-Kazakhstan Forum will be hosted in cooperation with the Chamber of Commerce and Industry France-Kazakhstan.

The topic is "France and Kazakhstan: Together on the path to a carbon-free future".

The event aims to strengthen bilateral cooperation between the countries in the field of energy transition, involving governments, intergovernmental organizations, business leaders, scientists, and other key participants.

The forum will include three panel sessions on the decarbonization of the energy, industrial, and transport sectors. At the end of the forum, participants will have the opportunity to share their experiences with each other through networking.
