Gulnur Nurkeyeva recognized as the A-list Lawyer by China Business Law Journal

We are pleased to announce that Mrs. Gulnur Nurkeyeva, Partner, Head of GRATA International China Office, has been recognized as the A-list Lawyer 2022 by China Business Law Journal.

The A-List by China Business Law Journal recognises the private practising lawyers that have fulfilled this role most admirably over the past year. More than 10,000 in-house counsel and corporate executives in China and around the world, partners at Chinese and international law firms, as well as legal professionals from a wide range of practices were reached out to recommend lawyers that they believe to be the most deserving of recognition. Out of thousands of candidates, nominated lawyers were contacted to submit further materials, including notable performances and significant deals conducted during the past 18 months, to help in making more informed decisions.

The final list is the aggregate result of market nominations, own submitted supportive information of candidates, and independent research conducted by the editorial team of China Business Law Journal.

This year, the A-List includes 150 practitioners of Chinese law and 120 international lawyers committed to China-related business, among which Mrs. Gulnur Nurkeyeva was recognized as one of the most elite foreign lawyers.
