Nurlan Kyshtobaev participated in the Business Forum “SCO: Expanding the Borders of Cooperation”

Nurlan Kyshtobaev participated in the Business Forum “SCO: Expanding the Borders of Cooperation”

On May 17, 2019 the Partner of Bishkek office of GRATA International, Nurlan Kyshtobaev, participated in a Business Forum “SCO: Expanding Borders of Cooperation” that was held in the State Residence “Ala-Archa” in Bishkek under the chairmanship of the Kyrgyz Republic in the Shanghai Cooperation Organization.

The business forum was dedicated to strengthening trade and economic relations within the framework of the Shanghai Cooperation Organization, including the promotion of business contacts, trade, and exports, as well as the implementation of investment projects and the creation of joint ventures between representatives of the business community of the SCO member countries.

This Forum brought together more than three hundred high-level participants, including government and corporate leaders, heads of investment promotion agencies, heads of international organizations, representatives of the business community of member countries, observer states and dialogue partners of the Shanghai Cooperation Organization, as well as world business leaders and prominent experts in economics and investment.
