Obligatory Sale of Foreign Currency Earnings was Cancelled in Belarus

Obligatory Sale of Foreign Currency Earnings was Cancelled in Belarus

Edict of the President waived the requirement for legal entities and individual entrepreneurs – residents of Belarus – to sale its foreign currency earnings in the domestic foreign exchange market starting from August 4.

This progressive amendment is a one more step of the Republic of Belarus for harmonization of the currency legislation in Eurasian Economic Union (EAEU).

Edict of the President of the Republic of Belarus dated 31.07.2018 No. 301 “On Cancellation of Obligatory Sale of Foreign Currency Earnings”
