Popa & Associates is an associate office of GRATA International, offering legal services in the Republic of Moldova.

In 2010, with 3 partners and 17 lawyers, Popa & Associates became one of the largest law firms in Moldova.

Today, our team of experienced lawyers offers a full range of legal services.

Apart from providing legal advice in extremely complex cases and mitigating shortcomings of existing regulation in developing markets, including Moldova, Popa & Associates has supported Moldovan authorities and state agencies in making changes and improvements to the legislation of Moldova with the intent of aligning it to the regulatory standards of a European Single Market. Moreover, associate office of GRATA International in Moldova has provided legal assistance in drafting Public-Private Partnerships legislation of the Republic of Moldova.

Our services are based on confidentiality, ability to work effectively on tight timetables, and individual approach to each client.
