Company liquidation procedure is simplified regardless of the form and types of activity. The same easing is for registration or liquidation of organizations and enterprises, Islamic Finance challenges in Turkey.

For Tax Crimes

On January 1, 2020, liquidation procedures will be extended to all consumer products in Russia by 2024.

Credit Unions in Azerbaijan

Credit unions can compete with major commercial banks in Azerbaijan. They can provide financial services to businesses with the purpose of satisfying the needs of its members, and they can also provide financial services to individuals and (or) legal entities that are subjects of small business. The Credit Union Act of the Republic of Azerbaijan “On Credit Unions” dated 2 May, 2000, credit union shall be understood as a non-bank credit organization set up through a voluntary merger of individuals.
