GRATA Law Firm-LLP

LETTER OF RECOMMENDATION

JTI Kazakhstan LLP has been cooperating with GRATA Law Firm LLP for over several years. During the time of our collaboration, GRATA rendered legal services, including support of tax audit performed in respect to our company by the State Revenue Department.

Working together, we found high qualification of GRATA experts, their operative skills regarding all aspects and issues that took place in the course of activities.

We would like to emphasize the high-level expertise of GRATA Tax Team members, in particular, Daniyar Kairbekov (Senior Lawyer) and Kanat Adilbekov (Senior Lawyer).

Through the high-quality legal support and advising, we have minimised sufficient additional charges caused by the tax audit.

Given our extremely positive experience with GRATA, we recommend the Firm as a tax adviser.
