GRATA International Ukraine – is a team of legal professionals advising clients on issues of various complexity and scale. The Firm assists Ukrainian and international businesses. Partners of GRATA International Ukraine have significant background in top international and Ukrainian law firms leading their respective practices, and have completed over 350 successful client projects. GRATA International Ukraine is one of a few firms in the Ukrainian market to fully utilize legal best practices.

Partners are personally engaged in every single client's project, thus reassuring their personal responsibility for the outcome of each project. Since the Firm upholds a result-driven approach, service fees are usually linked to the successful completion of the project and practical value for the client. Key practice areas of the Firm include Antitrust and Competition, Banking and Finance, Restructuring and Insolvency, Corporate and Contract law, M&A, International Trade, and Dispute Resolution.
